

MTI SCHOOL OF KNOWLEDGE

UNIFORM POLICY

Students in 1st grade to 12th grade are required to wear Uniform on MTI campus. All uniform tops will be Navy blue, which is the official color of MTI School. The MTI Uniform policy was put in place to increase school safety, build school spirit, and encourage improvement in student behavior. Having all students wearing consistent school uniforms creates a better learning environment, and limits distractions in the classroom.

Parents are encouraged to keep their child's uniform neat and make any repairs to wear and tear. Parents will be called in and asked to bring a change of clothes if their child is not in proper Uniform. We thank our parents for their cooperation and support.
